DEACON DAN AND MISSY RINDGE

We bid a sad and fond farewell with best wishes to Deacon Dan Rindge who with his wife Missy are relocating to Florida.

A reception for Deacon Dan will be in the hall after all Masses next weekend.

Deacon Dan's devotion to his Catholic faith shown by his ministry and through his homilies have inspired many of us to be better Catholics.

May God bless this beautiful couple as they begin a new chapter in their lives!

March 15 — FOR GREATER GLORY

Retired Gen. Gorostieta (Andy Garcia) and his wife (Eva Longoria) watch their country degenerate into violent civil war when the when newly elected Mexican president Plutarco Elías Calles (Rubén Blades) begins a violent crackdown against the country's Catholic faithful. Gorostieta is at first hesitant to join the rebels, known as Cristeros, until he begins to see the cost of religious persecution on his countrymen. Though the odds are against him, the general nevertheless transforms a ragtag band of rebels into a formidable fighting force.

REMINDER: Every Friday of Lent is a day of fasting and abstinence from meat, (beef, pork, poultry).

Lent stimulates us to let the Word of God penetrate our life and in this way to know the fundamental truth: who we are, where we come from, where we must go, what path we must take in life...

Bishops and their propagandists, particularly in Germany and the United States, do not want to admit at any price that the sin of unchastity is the root of the problem of priestly life. They feel as if they are the Church's new founders. The "old Church" came from a man 2,000 years ago, but the "new Church" comes from them, in their image and likeness. They defend the group that they call "homosexuals," and especially homosexual practice, because they believe it is legitimized through human relationships among these individuals. But the bishops' task should be to defend the many good priests, the sacramental priesthood and celibacy. They pretend that affections for a person of the same sex, and the opposite sex, include the right to sexual contact. Rather than adaptation to the mainstream of a world without God, the salvation of the world through the return to God in faith and obedience is the way to the New Evangelization and renewal of priests, and especially of bishops. It is not sophisticated managers who are needed, but shepherds who give their lives and who also have theological formation and deep piety. From Cardinal Gerhard Muller, Congregation for the Doctrine of the Faith, prefect emeritus.
