With the ever-changing nature of COVID-19, there remains the possibility of exposure. Since the Diocese has decided to “slowly” open up the building a bit more for employees to work in their office space, we also understand that there is risk in doing so and can lead to additional exposure to COVID-19. Therefore, we have established guidelines for any employee, who has permission from their immediate supervisor, to enter the building. You may continue to work as long as you are able to honestly answer NO to the following questions. However, please remember, if you develop any of the symptoms below, STAY HOME. Please do NOT enter the building for your safety and the safety of others.

WHO should go to a limited public Mass?

A dispensation from the Sunday and Holy Day obligation to participate in the Mass remains in place for all Catholics in the Diocese of Fresno until further notice. Anyone who is in an at-risk health group or does not feel comfortable attending a public gathering should stay home. Even with the best health practices and increased efforts to clean the Church, there is a risk of infection anytime a person enters a public space. Anyone who is sick or has recently been exposed to someone with the coronavirus should refrain from attending a public Mass as it is an act of Christian charity to safeguard the health of others.

WHEN can I go to a limited public Mass?

Attendance at Masses will be restricted to adhere to the public health orders, and parishioners should not expect to be able to attend Mass every week. Because the Sunday obligation has been dispensed, people are encouraged to take advantage of weekday Masses. Each parish will determine its own scheduling and attendance procedures to try and create a fair opportunity for every parishioner to attend Mass. It is important that you stay connected to your parish via the diocesan website, parish website, email, Facebook, Instagram, etc. Catholics should continue to keep the Sabbath holy with intentional time in prayer including engagement in the readings for the day, which may be enhanced through watching a pre-recorded or live stream Mass and making spiritual communion. Parishes are encouraged to offer live stream Mass.

WHAT restrictions will there be?

Social distancing will be practiced at all public Masses. Parishioners should follow the guidance of any usher or posted sign and can expect for rows/pews to be roped off. Families who live together can sit together but should be spaced more than 6-feet from other families.

Everyone is asked to wear a mask, and parishioners are encouraged to bring their hand sanitizer and/or sanitizing wipes.

There will also be TEMPORARY liturgical changes similar to those implemented during the early stages of this pandemic back in February and March. For those receiving Holy Communion, please follow the instructions of your pastor for lining up and receiving in a safe manner.

WHERE will public Masses be celebrated?

Bishop Brennan has granted a 'Dispensation of Place' for parishes to be able to utilize other spaces for Masses including gymnasiums, parish halls and outdoor spaces. Parishioners are asked to avoid congregating in entry ways and should be mindful of social distancing in narrow hallways, bathroom entrances, etc., especially if multiple spaces are being utilized. To fairly allow the maximum number of people to be able to attend a public Mass, people are discouraged from parish hopping and signing up for Masses at multiple parishes.

HOW else can I help?

We all long for the day when we can gather as a full parish family, hug our friends, and praise the Lord together, but until that time comes, let's continue to act out of love and charity towards each other, and all do our part to keep our communities as safe and healthy as possible.

Please be patient as your pastor and parish staffs do their best to implement this guidance, especially if you have to wait a little longer for your turn to attend a public Mass.

We have all made many sacrifices over the last several weeks to benefit the common good, let's not have those efforts be in vain if we rush this process or look for ways around the regulations.

Let's keep our trust in the Lord, to see this through until we can gather again in full.

¿**QUIÉN** debería asistir a una misa pública con cupo limitado?

Los fieles han sido dispensados de su obligación a asistir a misa los domingos o los días de precepto hasta nuevo aviso. Se recomienda que las personas que tengan condiciones médicas subyacentes graves o que no se sientan cómodas participando en reuniones públicas, permanezcan en casa. Incluso con las mejores prácticas de salud y los mayores esfuerzos para limpiar las iglesias, existe el riesgo de infección cada vez que una persona ingresa a un espacio público. Cualquier persona que esté enferma o que haya estado expuesta recientemente a alguien con coronavirus o que crea que es posible que haya sido expuesta debe abstenerse de asistir a una misa pública, ya que es un acto de caridad cristiano para proteger la salud de los demás.

¿**CUÁNDO** puedo ir a una misa pública con cupo limitado?

La asistencia a las misas será limitada para cumplir con las órdenes de salud pública, y los feligreses deben esperar que tal vez no puedan asistir a misa cada semana. Ya que se ha dispensado la obligación dominical, se alienta a las personas a aprovechar las misas entre semana. Cada parroquia determinará sus propios procedimientos de programación y asistencia para tratar de dar a cada feligrés una oportunidad justa de asistir a misa. Es importante que se mantenga conectado a su parroquia a través del sitio web diocesano y parroquial, correo electrónico, y Facebook, Instagram, etc. Los católicos deben continuar observando el Día del Señor, teniendo un tiempo de oración que incluya las lecturas del día, lo que se puede reforzar viendo una misa pregrabada o en vivo y haciendo una comunión espiritual. Se alienta a las parroquias a seguir transmitiendo misas en vivo.

¿**QUÉ** restricciones habrá?

El distanciamiento social se practicará en todas las misas públicas. Los feligreses deben seguir la guía de cualquier ujier o letrado publicado, teniendo en cuenta que algunas bancas estarán bloqueadas. Las familias que viven juntas pueden sentarse juntas, pero deben estar a más de 6 pies de distancia de otras familias.

Se les pide a todos que usen un cubre bocas/mascara, y se alienta a los feligreses a traer su desinfectante para manos y/o toallitas desinfectantes.

También habrá cambios litúrgicos TEMPORALES similares a los que se implementaron durante las primeras etapas de esta pandemia en febrero y marzo. Para aquellos que reciben la Sagrada Comunión, siga las instrucciones de su pastor para ponerse en fila y recibirla de manera segura.

¿DÓNDE se celebrarán las misas públicas?

El Obispo Brennan ha otorgado una “dispensa de lugar” para que las parroquias puedan utilizar otros espacios para misas, incluyendo gimnasios, salones parroquiales y espacios al aire libre. Se pide a los feligreses que eviten congregarse en las entradas y que tengan en cuenta el distanciamiento social en pasillos estrechos, entradas de baños, etc., especialmente si se utilizan múltiples espacios. Para permitir que el número máximo de personas pueda asistir a una misa pública de una manera justa, se les pide a las personas no ir de parroquia en parroquia para asistir a varias misas.

¿DE QUÉ otra manera puedo ayudar?

Todos anhelamos el día en que podamos reunirnos como una familia parroquial completa, abrazar a nuestros amigos y alabar al Señor juntos, pero hasta que llegue ese momento, sigamos actuando por amor y caridad unos con otros, y todos pongamos de nuestra parte para mantener nuestra comunidad lo más segura y saludable posible.

Tenga paciencia mientras su sacerdote y el personal de la parroquia hacen todo lo posible para implementar esta guía, especialmente si tiene que esperar un poco más para poder asistir a una misa pública.

Todos hemos hecho muchos sacrificios en las últimas semanas por el bien común, no dejemos que esos esfuerzos sean en vano, apresurando este proceso o buscando formas de no cumplir con las normas.

Mantengamos nuestra confianza en el Señor para sobrellevar esto hasta que podamos reunirnos de nuevo todos juntos.
