THE ROLE OF CATHOLICS IN AMERICAN POLITICAL LIFE

We vote because we are citizens. But, more importantly, we vote conscientiously because we are people of faith. Catholics have an obligation to participate in the democratic process by voting with an informed conscience. Our consciences are formed through studying Scripture, the teachings of the Church, examination of the facts, and prayerful reflection. While there are many moral issues before us, every issue is not equal.

LIFE AND DIGNITY OF THE HUMAN PERSON
The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching. In our society. Human life is under direct attack from abortion and euthanasia. Human life is threatened by cloning, embryonic stem cell research, and in vitro fertilization. As Catholics, we believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person. **BE A VOICE FOR LIFE.**

For a hundred different things, the answer is still the same... *START OVER AGAIN*. I've failed in God's service, or failed my family, or my work, or my studies, my exercise, my diet. The answer seems to be just the same... *START OVER AGAIN*. And I guess that's the grace to ask for, Lord, I put my self-pity behind me and ask for Your grace and *START OVER AGAIN*. (KNOM)

How far you go in life depends on how *compassionate* you are with the aged, how tender you are with the young, how *sympathetic* you are with those who are striving and how *tolerant* you are of both the weak and the strong.

Because someday in life, you will have been all of them.
