

# Christ the King International Food Festival | Saturday October 4, 2025

## FOOD VENDOR INFORMATION

Welcome to the 1<sup>st</sup> Annual Christ the King International Food Festival. We are looking forward to an exciting event!

We are interested in all types of food, sweet and savory, and vegan alike.

Please read below for the rules and guidelines. If you wish to proceed after agreeing to the rules and guidelines, please complete the application in full and return it to the Church office by Friday August 22, 2025. The planning committee will review all the applications received and will call you to let you know if your application is approved. Please be advised that we have a limited number of booths and not every application will be selected.

- On your application, please include your menu so that we can choose the vendors that we think can most complement each other.
- If you are serving a food item not consistent with your application menu, and conflicting with another food vendor you will be asked to remove it from your menu.
- The deadline for application submission is Friday August 22, 2025, and we will let you know by September 1, 2025, if you were selected.
- All spaces are ten feet deep and ten feet wide.
- If selected, you will be invited to the next planning meeting to discuss your food menu.
- Every food vendor must complete the ServSafe Certification and provide a copy of the certificate to the office by September 15, 2025. <https://www.servsafe.com/ServSafe-Food-Handler/Get-Certified> If the certificate is not obtained by the deadline, you cannot serve food at the event.
- All proceeds will go to Christ the King Church.
- You may be reimbursed after the event for your out-of-pocket cost if you submit your receipts.
- Tickets will be sold at the main ticket booth, and you will set the price of your food item.
- No electricity or running water will be supplied. Generators are not allowed. Propane and sterno warmers are allowed.
